THE COMPANY:

Owino Solutions Ltd is a Ugandan owned IT firm established by a team of young professionals with a passion for internet based brand development. The company employs the technical expertise of Italian and Ugandan professionals in providing professional solutions to its ever increasing client base. **Owino Solutions Ltd** is a fully registered Information Technology firm with offices on Plot 79 Bukoto Street Kamwokya, Kampala. The company offers professional website development, maintenance, re-design and updates; Webhosting and domain name purchases and sales; Logos and Graphics design, advertising and media promotions; training and consultancy. Central to these services is professional website development.

OUR GOAL:

The goal of **Owino Solutions Ltd** is to implement latest state of the art available technology in creating inspired projects that meet the standards required to power businesses, organisations, institutions, and entities that need that cutting edge solution to enhance their operations.

OUR AIM:

Our aim is to create professional websites, graphics and multimedia works that enhance the ability of individuals, organization, corporations, institutions and companies to interface with their audience and at the same time develop a brand that stands the test of time.

OUR VISION AND MISSION:

Our Mission is *“to be the leading company in delivery of professional web and non-web based applications that enhance brand value through state of the art innovative and creative ideas throughout Africa.”*

Our Vision is to expand and develop products that help developing nations meet the global challenges that they face.

THE TEAM:

Because of our commitment to quality, innovation, creativity and excellence, **Owino Solutions Ltd** employs the most competent people in every sector of our operations. It is due to that edge that we have a team with solid exposure and experience with the ability to deliver utmost professional service for our clients. The core members of our team include:

*******Joseph G. Owino**

*******Amico G. Antonello**

*******Danilo Drago**

*******Luca Drago**

OUR WORLD:

Owino Solutions Ltd creates projects that are tailor made to meet the different challenges faced by our clients who come from different sectors. Our clientele base is highly diverse ranging from Public Personalities, individuals, educational institutions, Non-profit and charitable organizations, entertainment, marketing and advertising agencies and many others.
